CEMENT BONDED PARTICLEBOARDS

1. Identification of the substance / preparation and of the company / undertaking

Duripanel

Supplier:
Siniat
Marsh Lane
Easton-in-Gordano
Bristol BS20 0NF
T 01275 377 773
(Opening hours: Monday to Friday 8:15am – 5:00pm)

E technical.services@siniat.co.uk

2. Hazards identification

Hazard description: Not applicable
Information concerning particular hazards for human and environment: Not applicable

3. Composition/ Information of ingredients

Chemical characterization
Description: cement-based composite material, wood-cement-chipboard (laminated / un laminated)
Dangerous components: No dangerous components known

4. First aid measures

General information: Not applicable

5. Fire fighting measures

Suitable extinguishing agents:
Product does not burn
Use fire extinguishing methods suitable to surrounding conditions.

Special hazards caused by substance, its products of combustion or resulting gases: No special hazards known.

6. Accidental release measures

Person-related safety precautions: No special regulations

Measures for environmental protection: No special regulations

7. Handling and storage

Information for safe handling: No special requirements
Information about fire – and explosion protection: Not required

8. Exposure controls / Personal protection

Additional information about design of technical facilities: At processing: inclusion of dustextractor

Personal protective equipment:

General protective and hygienic measures: No special regulations
Protection of hands: Useful are for example glove according EN 388

9. Physical and chemical properties

General Information

Form 
Solid

10. Stability and reactivity

Thermal decomposition / conditions to be avoided: No special regulations

Dangerous reactions: No dangerous reactions known

Dangerous decomposition products: None

www.siniat.co.uk
11. Toxicological effects

Acute toxicity: Toxicity values of the preparation do not exist

12. Ecological information

Other information: Ecological values of the preparation do not exist

13. Disposal considerations

Recommendation: Must be specially treated adhering to official regulations

European waste catalogue: Wastes from cement-based composite materials other than those mentioned in 101309 and 101310, 101311

14. Transport information

Land transport ADR/RID (cross-border)
ADR.RID Class
Maritime transport IMDG:
Marine Pollutant: No

15. Regulatory information

Labelling according to EU guidelines:
The product is not subject to identification regulations under EU Directives and the Ordinance on Hazardous Materials (German GefStoffv)
Other information:
Wood dust can appear while working on Duripanel

16. Other information

This information is based on our present knowledge. However, this shall not constitute a guarantee for any specific product features and shall not establish a legally valid contractual relationship.
